Gimme 4 Foundation Mission

Our mission at The Gimme 4 Foundation is to raise money for individuals and families that are battling cancer, have lost a loved one due to cancer, as well as other organizations that support families battling cancer as well. We do this through events such as 5K races, Golf Tournaments, dinners, and individual and corporate sponsorships/donations. All of the money raised through our events will go directly to elected recipients to help alleviate some of the financial burdens associated with their treatments. Since being founded in September 2011, we have conducted 17 events and helped over 25 families with over \$250,000. As we continue to grow, our event calendar will do so as well. What this really means is that we will have more money and opportunities to help many more families. Please consider helping us help others by participating in our events, becoming a monthly supporter, or sponsoring our events if you are a business owner. We simply cannot do what we do without the generous support from so many people. We thank you for your support. God bless you and GIMME 4!!

About Coral Oaks Golf Course:

Coral Oaks Golf Course is an 18-hole, Arthur Hills designed, championship course built within a century old oak hammock. The course boasts large TifEagle greens, contoured fairways, and rich natural surroundings. The 8 lakes and 37 bunkers on the course add to its allure and make it entertaining and challenging for golfers of all skill levels.

About Us

We are a 501c3 non-profit charitable foundation whose sole purpose is to help families that are battling cancer. The foundation is inspired by a wonderful man named Jason Roe. Jason passed away on July 13, 2012 after battling cancer and giving all it could handle. Jason was an awesome MAN of GOD!! He also was born without thumbs. He could always be heard saying "Gimme 4" instead of the traditional gimme 5. I always appreciated and respected the way that he embraced it. With that and the tradition in football when the 3rd quarter comes to an end and everyone in attendance and probably even in living rooms across the country, fans and players hold up 4 fingers. Why?

The message is that the battle is not yet over, in fact in some cases has only just began. Our message here at Gimme 4 Inc. is to never quit, never give up and run the race. Play all 4 quarters, because that is what God is calling us to do. Give our best effort while we are on this earth until it is time for us to go home. 2 Timothy 4:7 says "I have fought the good FIGHT, I have FINISHED the race, I have kept the FAITH". Fight 'til you Finish by keeping your Faith. This is all we can do because God is in control. Please support what we are doing here, because cancer has undoubtedly affected everyone's life at some point. Thanks for your support and Gimme 4!!!
