## THE GIMME 4 FOUNDATION

Gimme 4 Inc. was founded in September 2011. We are a non-profit charitable foundation whose sole purpose is to help families that are battling cancer. We raise money through events such as 5Ks, golf tourneys, and contributions made by many of you that also feel like it is a great cause. The foundation is inspired by a wonderful man named Jason Roe. Jason passed away July 13, 2012 after battling cancer and giving all it could handle. Jason was an awesome MAN of GOD!! He also was born without thumbs. He could always be heard saying "Gimme 4" instead of the traditional gimme 5. I always appreciated and respected the way that he embraced it. With that and the tradition in football when the 3rd quarter comes to an end and everyone in attendance and probably even in living rooms across the country, fans and players hold up 4 fingers. Why? The message is that the battle is not yet over, in fact in some cases has only just began. Our message here at Gimme 4 Inc. is to never quit, never give up and run the race. Play all 4 quarters, because that is what God is calling us to do. Give our best effort while we are on this earth until it is time for us to go home.
